All GREF members and other regulators are cordially invited to a special lecture and drinks reception that GREF is hosting as part of its continuing lecture series. **Professor Per Binde** of the University of Gothenburg will be delivering a presentation entitled ***“Problem Gambling and Crime”*** on Tuesday, 2<sup>nd</sup> February at 16:30 in the South Gallery Room 17 at the International Casino Exhibition (ICE) at the ExCeL Arena – London.

The GREF Lecture has been running for the past four years and has succeeded in raising awareness of GREF. The Forum historically invites a noted scholar/individual to hold a lecture that it is hoped makes a significant contribution to our awareness and understanding and furthers the development of the field of gambling regulation.

This event has been posted on the GREF website: [www.gref.net](http://www.gref.net). Please visit the page for more information and any updates.

The lecture will include a drinks reception where you will be able to network with other regulators.

There is no charge for this event, but space is limited. If you would like to attend, please RSVP to [info@jgc.je](mailto:info@jgc.je) by Tuesday, 22<sup>nd</sup> January 2016.

Looking forward to seeing you at the lecture!

On behalf of GREF Executive Board

Dr. Jason Lane
