

Invitation to GREF's WG Responsible Gambling meeting in November in Budapest

Dear colleagues,

We are happy to invite you to the third WG Responsible Gambling meeting this year which is held in Budapest, Hungary.

The meeting takes place **Thursday 16th of November 2017** from 9.00 to approximately 15.00 at **Gambling Supervision Board / Legal Department, 1051 Budapest, Sas utca 20-22, Hungary**

The meeting is dedicated to monitoring and approaching problem gamblers. The theme was decided in our breakout session at GREF in London this year.

We have the following presentations:

- "Detecting and approaching problem gamblers"
The presentation is based on the experience and projects of three countries (France/Carole Leduc, the Netherlands/Annet Meijer and Sweden/Sara Näselius)
- "Experiences of Norsk Tipping's monitoring and approach initiatives"
(Jonny Engebø/Norway)

!! There is also room for additional presentations when it comes to monitor and approach problem gamblers, so if you have relevant knowledge to share with the working group, please contact us

At the meeting we will also start planning the next survey (spring 2018) and discuss future work and themes. You are also welcome to suggest additional topics of discussion to the agenda.

We are planning to have an informal get-together the evening before (Wednesday 15th).

If you have any questions concerning the meeting, please ask either one of us. You may also forward this invitation to your colleagues.

Please inform us by the end of October 2017 if you and/or your colleagues are coming to our meeting.
